Marian Focșa

Software Developer

Iasi, Romania

Summary

Sassy software enthusiast with great skills of communication, attention to details & architectural thinking. Based on my fast learning algorithm and team choreography understanding, I'm looking forward to increasing my software engineering skills and growing myself into the better developer by tackling difficult projects and coming front with innovative solutions. Open-minded, I'll be always looking for a new challenge to take on.

Experience

Kirey Group
4 years
Software Developer
Aug. 2017 - Present
Iasi, Romania

Team leader/lead developer of a continuously growing team, working with a tech-stack floating around .NET (Core) and Angular, collaborating with clients and managers from multiple countries.
